If you've been tapped on the shoulder by **Berry Street staff**, you're invited to come along for an unforgettable 4-day off-road adventure through to the High Country. Four-wheel driving, exploring, mountain tops - we'll provide all the equipment needed. All you need to bring are your clothes, drink bottle and a pillow.

Together, we'll be crossing through rivers in the 4x4s, check out high country huts, and stand atop mountains,

If this sounds like the break you've been dreaming of, check out the program inside and chat with your Berry Street connection.

REGISTRATION PACK

Inside this booklet, you'll find more info about the adventure program and a step-by-step guide on how you sign up. Also, you and your parents might be keen to know more about who we are and how it's all made possible - it's all included in this booklet.

This ensures that our initiatives are fun, safe, and healthy. Our equipment is of high quality and we provide everything - food, sleeping bags, head torches. And this means that anyone can come along - nobody needs to buy equipment.

Oh yes - almost forgot: It's free. Yep, that's right, you don't have to pay a \$. Berry Street has taken care of this already (thank you!).

WAIT... WHAAAT?

GIMME THE DEETS!

DAY 1

Your Berry Street team member will pick you up and take you to our warehouse in Shepparton. We'll head to Mansfield for a feed and then start hitting the 4x4 tracks. We'll make camp on the Goulburn River - there are some good swimming holes and decent fishing opportunities for trout. Time to collect fire wood, get that fire going and dinner on the go.

DAY 2

After brekky, we'll head off to cross through the Goulburn River (yup!), hit steep tracks, and explore old mining relics. We'll camp on the banks of the Howqua River. Swim, anyone?

DAY 3

A big day dedicated to awesome 4x4 tracks and a spectacular hike to the summit of The Bluff, more than 1.7km up. The views are simply breathtaking and definitely worth the scramble. Back at camp, we'll cool off in the river and get the tunes pumping, fire blazing - this is your last night and you'll feel that it hits a bit different.

DAY 4

Time to pack up and slowly make our way back to Shepp! If all goes to plan, we'd love to have a quick swim and then a decent feed in Mansfield. **Back in Shepp around 3pm.**
